## SUPPLEMENT

1. Despite the departure from Italy of General Anders and his troops, it is reported that the so-called Polish Press Agency, hostile to the Warsaw Government, continues to publish its bulletins and to carry on considerable activity.
2. The agency has passed to the control of the Polish Embassy to the Vatican (Ambassador Papée).
3. The actual journalistic work of the agency is done almost entirely by Dr. Andreis, a journalist and writer well-known since the Fascist period as an expert on Polish questions, in Italy.
4. The Polish Embassy to the Holy See also maintains contacts with the clandestine organizations in Poland and the nuclei still existing in Italy.
